## ABOUT GLONURSE SUMMIT 2026

The Global Nursing Congress and Healthcare Innovation Summit (GloNurse Summit 2026 – Hybrid Event) is a premier international event uniting nursing professionals, healthcare leaders, researchers, educators, policymakers, and innovators from around the world to foster collaboration, share groundbreaking ideas, and shape the future of patient care. Scheduled to take place from September 21-23, 2026 in London, UK, with an integrated virtual participation option, this three-day summit is designed to address the pressing challenges and exciting advancements in nursing and global healthcare delivery. The summit aims to promote a unified platform where professionals from diverse healthcare domains can discuss trends, explore best practices, and catalyze change by embracing the latest innovations in clinical care, healthcare technologies, leadership, education, and public health systems.

GloNurse Summit 2026 will offer an inspiring program filled with keynote speeches, scientific sessions, panel discussions, interactive workshops, poster presentations, and networking opportunities. Key themes include digital transformation in nursing, AI in clinical practice, mental health care strategies, patient centered care models, leadership development, sustainable healthcare practices, and global nursing workforce resilience. Participants will engage with global thought leaders and trailblazing innovators, gaining practical insights to elevate the standard of care and improve health equity worldwide. Whether attending in person or virtually, every delegate will have the opportunity to contribute to vital discussions that advance healthcare innovation and strengthen nursing as a cornerstone of global well-being. The GloNurse Summit is not just a conference it's a transformative experience designed to ignite ideas, inspire leadership, and impact the future of healthcare across generations and geographies.
